

REACH SVHC Candidate List Compliance Declaration

EC Regulation No 1907/2006 (REACH) Substances of Very High Concern

1. REACH Compliance Summary

Cosine Nanoelectronics declares that none of the candidate Substances of Very High Concern (SVHC) listed by the European Chemicals Agency (ECHA) under EC Regulation 1907/2006 are present in Cosine integrated circuit products above the threshold concentration limit of 0.1% (w/w).

2. Article Declaration

Under REACH definition, Cosine IC packages are classified as 'Articles without intended release of substances'. Comprehensive chemical screening is conducted annually via accredited third-party testing laboratories (SGS).

3. Verification Registries

ECHA SVHC Candidate List	Checked against latest ECHA update (240+ substances)
Test Report Provider	SGS Chemical Laboratory Reports
Status	Compliant without exemptions
